

Independent Auditors' Report

To the Members of Consulttrans Technologies Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Consultrans Technologies Private Limited ("the Company"), which comprise the balance sheet as at March 31, 2024, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") read together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditors' Report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance of MEH74

Page 1 of 12

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

CHARTERED ACCOUNTANTS

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
 - c) The balance sheet, the statement of profit and loss (including other comprehensive income), statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;

- e) On the basis of the written representations received from the directors as on ended March 31, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
- h) In our opinion, and according to the information and explanations given to us, the managerial remuneration for the year ended March 31, 2024 has been paid/provided by the Company to its directors in accordance with the provision of section 197 read with Schedule V of the Act; and
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations as on March 31, 2024, which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There is no amount required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in note no 33 of notes to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented, that, to the best of its knowledge and belief, as disclosed in note no. 33 of notes to the financial statements, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Page 4 of 12

CHARTERED ACCOUNTANTS

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. The Company had made the assessment for books of account as per definition in the Act and identified an accounting software used for the creation and maintenance of books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded. Further, in case of the Company, audit trail (edit log) facility was enabled and operated throughout the year, we did not come across any instance of the audit trail feature being tampered with except inherent limitation mentioned in note 37 of the financial statements..

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable to the Company from April 1, 2023, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is on the preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure 'A' referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our Report to the members of Consulttrans Technologies Private Limited ("the Company") of even date

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i)(a)(A) The Company does not has any property, plant and equipment during the year, hence the requirement to report on clause 3(i)(a)(A) of the Order is not applicable to the Company.
- (i)(a)(B) The Company does not has any intangible assets during the year, hence the requirement to report on clause 3(i)(a)(B) of the Order is not applicable to the Company.
- (i)(b) Since the Company does not has any property, plant and equipment during the year, hence the requirement to report on clause 3(i)(b) of the Order is not applicable to the Company.
- (i)(c) The Company does not has any immovable property held in the name of the Company, hence the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
- (i)(d) Since, the Company does has any property, plant and equipment or intangible asset during the year ended March 31, 2024, hence the requirement to report on clause 3(i)(d) of the Order is not applicable to the Company.
- (i)(e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii)(a) The Company does not have any inventory and, accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.
- (ii)(b) As per the information and explanation given to us, the Company has not been any sanctioned working capital limits in excess of Rs. five crores in aggregate from a bank on the basis of security of current assets of the Company, accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us, the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, limited liability partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) to clause (iii)(f) of the Order is not applicable to the Company. Further, investments made during the year to companies, Firms, Limited Liability Partnerships or any other parties are not prejudicial to the Company's interest.
- (iv) The Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Act. Further, in our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 186 of the Act in respect of the investments made by it and the Company has not provided any loans, guarantees or security to the parties covered under Section 186 of the Act.

NE DELHI

CHARTERED ACCOUNTANTS

- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) The Company is not in the business of sale of any goods or provision of such services as prescribed. Accordingly, the requirement to report on clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) Undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess and other statutory dues have generally been regularly deposited with the appropriate authorities

According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

- (vii) (b) There are no dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, customs duty, excise duty, value added tax, cess, goods and service tax and other statutory dues which have not been deposited on account of any dispute.
- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix)(a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (ix)(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (ix)(c) The Company has not sanctioned any term loan, accordingly, the requirement to report on clause 3(ix)(c) of the Order is not applicable to the Company.
- (ix)(d) On an overall examination of the Financial Statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (ix)(e) On an overall examination of the Financial Statements, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary. The Company doesn't have any associate or joint venture. Hence, the requirement to report on clause (ix)(e) of the Order is not applicable to the Company.
- (ix)(f) The Company has not raised loans during the year on the pledge of securities held in its subsidiary. The Company doesn't have any associate or joint venture. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.
- (x)(a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.

SS KOTHARI MEHTA & CO.LLP

CHARTERED ACCOUNTANTS

- (x)(b) The Company has not made any preferential allotment or private placement of shares/fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi)(a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- (xi)(b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor/ secretarial auditor or by us in Form ADT 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (xi)(c) As represented to us by the management, there are no whistleblower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a) to 3(xii)(c) of the Order is not applicable to the Company.
- (xiii) In our opinion, and according to the information and explanations given to us during the course of audit, transactions with the related parties are in compliance with section 188 of the Act, where applicable and the details have been disclosed in the notes to the standalone financial statements, as required by the applicable accounting standards. The provisions of section 177 of the Act are not applicable to the Company and hence not commented upon.
- (xiv) The Company does not have an internal audit system and is not required to have an internal audit system under the provisions of Section 138 of the Companies Act, 2013. Therefore, the requirement to report under clause 3(xiv)(a) and 3(xiv)(b) of the Order is not applicable to the Company.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence the requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b), (c) and (d) of the Order are not applicable
- (xvii) The Company has not incurred cash losses in the current financial year. The Company has incurred a cash loss of Rs. 37.19 lakhs in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in note no. 31 to the Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

SS KOTHARI MEHTA & CO. LLP

CHARTERED ACCOUNTANTS

(xx) The Company is not required to spent on corporate social responsibility as per the section 135 of the Act. Accordingly, the requirement to report on clause 3(xx) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of the audit of Standalone Financial Statements of the Company. Accordingly, no comment has been included in respect of the said clause under this report.

Annexure B to the Independent Auditor's Report to the Members of Consulttrans Technologies Private Limited dated July 24, 2024.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act as referred to in paragraph 2(g) of 'Report on Other Legal and Regulatory Requirements' section

We have audited the internal financial controls over financial reporting of the **Consultrans Technologies Private Limited** (the Company) as of March 31, 2024, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SS KOTHARI MEHTA & CO. LLP

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Notes to the financial statement for the year ended March 31, 2024

(All amounts in ₹ lakhs, unless otherwise stated)

I CORPORATE INFORMATION

Consulttrans Technology Solution Private Limited is a Private Limited Company, registered under the provisions of the Companies Act, 2013. It was incorporated on August 24, 2021 with the main object to carry on the business to provide consultancy, transport services, manpower services, software services in the field of people and good transport and also carries as a business as tourist / travel agents and contractors and to facilitate, travelling by air, road and sea, to provide all types of facilities for tourists and travellers.

The Registered office of the company situated at Unit No M2, First Floor, Landmark House, Plot No 65, Sector-44, Gurgaon 122003.

These financial statements were approved for issue in accordance with a resolution of board of directors on July 24, 2024.

2 SUMMARY OF MATERIAL ACCOUNTING POLICIES

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation and presentation

(i) Compliance with Ind AS

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III). These financial statements are presented in INR and all values are rounded to the nearest lakhs, except when otherwise indicated.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis except for certain assets and liabilities (including derivative instruments) that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

(iii) The Company has prepared the financial statements on the basis that it will continue to operate as going concern.

(b) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- ▶ Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- ► It is expected to be settled in normal operating cycle
- ▶ It is held primarily for the purpose of trading
- ▶ It is due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(c) Revenue recognition

(i) Sale of services

Revenues from contract with customers is recognized over the period of time, when the Company satisifies the performance obligation to the customer at transaction amount that reflects the consideration to which the Company expects to be entitled in exchange of services. Revenue is stated net of Goods and Service tax and net of returns, trade allowances and discounts,

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract assets are in the nature of unbilled receivables, which arises when Company satisfies a performance obligation but does not have an unconditional rights to consideration. A receivables represents the Company's right to an amount of consideration that is unconditional. Contract assets are subject to impairment assessment.

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognized when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognized as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

A trade receivable is recognized if an amount of consideration that is unconditional (i.e., only the passage of time is required before echnology S payment of the consideration is due).

CIN: 1174999HR2021PTC097177

Notes to the financial statement for the year ended March 31, 2024

(All amounts in ₹ lakhs, unless otherwise stated)

(iii) Other income

Other income comprise interest income and others miscellaneous income.

Interest income is accrued on a timely basis, by reference to the principal outstanding and recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the EIR, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

In respect of others, Company recognized income when the right to receive is established.

(d) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Income Tax expense for the year comprises of current tax and deferred tax.

(i) Current tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences, the carry forward of unused tax credits and unused tax losses to the extent that it is probable that taxable profits will be available against which those deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the year in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or direct in equity.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

(e) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

(f) Earnings Per Share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) if any that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares.

(g) Provisions and Contingent liabilities, Contingent assets

(i) Provision

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the assage of time is recognized as a finance cost.

NEW DELHI TO A COOK OF THE PORT ACCOUNTS

2 2012 112

CIN: U74999HR2021PTC097177

Notes to the financial statement for the year ended March 31, 2024

(All amounts in ₹ lakhs, unless otherwise stated)

(ii) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases, where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

(iii) Contingent assets

Contingent assets are not recognized. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

(h) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the undiscounted amounts expected to be paid when the liabilities are settled. The liabilities are presented as current benefit obligations in the balance sheet. The cost of short-term compensated absences is accounted as under:

- a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- b) in case of non-accumulating compensated absences, when the absences occur.

(ii) Post employement obligations

The Company operates the following post employment schemes:

- * defined benefit plan towards payment of gratuity;
- * defined contribution plans towards employee state insurance

Defined benefit plans

The Company has Defined Benefit Plan in the form of Gratuity. Liability for Defined Benefit Plans is provided on the basis of valuations, as at the balance sheet date, carried out by an independent actuary. The defined benefit obligation is calculated annually by independent actuary using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using discount rate (interest rates of government bonds) that have terms to maturity approximating to the terms of the gratuity. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in 'Other Comprehensive Income' (net of taxes) in the statement of changes in equity and in the balance sheet. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset

Defined contribution plans

Defined contribution plans are retirement benefit plans under which the Company pays fixed contributions to separate entities (funds) or financial institutions or state managed benefit schemes. The Company has no further payment obligations once the contributions

* Provident fund and employee pension scheme

The Company makes monthly contributions at prescribed rates towards Employees' Provident Fund/ Employees' Pension Scheme to a Fund administered and managed by the Government of India.

* Employee state insurance

The Company makes prescribed monthly contributions towards Employees' State Insurance Scheme.

(i) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial assets

* Initial Recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value through OCI are held within a business model with the objective of both holding to collect contractual cash flows and selling.

* Subsequent Measurement

* Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost which is held with objective to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

* Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income which is held with objective to achieve both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

nology

* Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

* Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in Companys that share similar credit risk characteristics.

The Company recognises life-time expected losses for all trade receivables. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial ecognition. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

The Company follows 'simplified approach' for the recognition of impairment loss allowance on trade and other receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on life-time ECLs at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

(ii) Financial liabilities

* Initial Recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

* Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- · Financial liabilities at fair value through profit or loss
- · Financial liabilities at amortised cost (loans and borrowings)

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities at amortised cost (Loans and borrowings)

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

* Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognitionas per Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

* Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

* Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

(j) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

CIN: U74999HR2021PTC097177

Notes to the financial statement for the year ended March 31, 2024

(All amounts in ₹ lakhs, unless otherwise stated)

(k) Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- 1 In the principal market for asset or liability, or
- 2 In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level-1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level-2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level-3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(I) Critical accounting estimates, assumptions and judgements

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

Estimates and assmptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Information about critical judgments in applying accounting policies as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities, are included in following notes:

- (i) Recognition and measurement of defined benefit obligations:
- (ii) Recognition and measurement of provisions and contingencies, key assumptions about the likelihood and magnitude of an outflow of resources:
- (iii) Recognition of deferred tax assets;
- (iv) Fair value of financial instruments;

Notes to the financial statements for the year ended March 31, 2024

(All amounts are in Rupees lakhs, unless otherwise stated)

ii) Fair valuation techniques

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following methods and assumptions were used to estimate the fair values:

- 1) Fair value of cash and deposits, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.
- 2) Borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values.

26 Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company's principal financial assets comprise cash and cash equivalent that arise directly from its operations.

The Company's activities expose it mainly to market risk, liquidity risk and credit risk. The monitoring and management of such risks is undertaken by the senior management of the Company and there are appropriate policies and procedures in place through which such financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company policy not to carry out any trading in derivative for speculative purposes.

A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity price risk. Financial instruments affected by market risks include loan and borrowings, deposit, investments, and foreign currency receivables and payables.

(i) Interest rate risk

Borrowings availed by the Company are subject to interest on fixed rates as these are taken only for the purpose to finance the business and inducting new fleet and such borrowings are repayable on demand. In view of the fact that the total borrowings of the Company are not quite substantial, the Company is not exposed to interest rate risk.

Further, most of the loans and borrowings could be prepaid without pre-payment premium. The said clause helps the Company to arrange debt substitution to bring down the interest costs or to prepay the loans out of the surplus funds held.

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in foreign currency). The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies. There is no foreign currency risk as at March 31, 2024 to March 31, 2023, as no foreign currency receivables and payables are outstanding.

(iii) Commodity price risk

The Company is not involved in the provision and sale of products and hence, the Company is not exposed to commodity price risk.

B) Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price.

The Company uses liquidity forecast tools to manage its liquidity. The Company is able to organise liquidity through own funds and through current borrowings. The Company has good relationship with its lenders, as a result of which it does not experience any difficulty in arranging funds from its lenders. Table here under provides the current ratio of the Company as at the year end.

Particulars	As at March 31, 2024	As at March 31, 2023
Total current assets	380.66	20.49
Total current liabilities	391.80	81.05
Current ratio	0.97	9.25

Other financial liabilities	<u></u>	3.08		-	-	3,08
	58,57	21.83				80.40

C) Credit risk

Credit risk arises when a counterparty defaults on its contractual obligations to pay resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities, primarily trade receivables. The credit risks in respect of deposits with the banks, foreign exchange transactions and other financial instruments are only nominal.

The customer credit risk is managed subject to the Company's established policy, procedure and controls relating to customer credit risk management. In order to contain the business risk, prior to acceptance of an order from a customer, the creditworthiness of the customer is ensured through scrutiny of its financials, if required, market reports and reference checks. The Company remains vigilant and regularly assesses the financial position of customers during execution of contracts with a view to limit risks of delays and default. Further, in most of the cases, the Company normally allows credit period of 30 days to all customers which vary from customer to customer. In view of the industry practice and being in a position to prescribe the desired commercial terms, credit risks from receivables are well contained on an overall basis.

The impairment analysis is performed on each reporting period on individual basis for major customers. Some trade receivables are grouped and assessed for impairment collectively. The calculation is based on historical data of losses, current conditions and forecasts and future economic conditions. The Company's maximum exposure to credit risk at the reporting date is the carrying amount of each financial asset as detailed in note 3 and 5.

27 Segment information

Operating segment are defined as components of the company about which separate financial information is available that is evaluated regularly by the chief operating decision-maker, or decision-making company, in deciding how to allocate resources and in assessing performance. The Company primarily operates in one business segment.
